... and the reason for golf events

FDNY STEPHEN SILLER

On Sept. 11, 2001, Stephen Siller, a 34 year old fire-fighter, took his final heroic steps as he ran with his gear through the Brooklyn Battery Tunnel to the World Trade Center to help save others. Thousands of lives were saved that day, but this was not to be Stephen's destiny.

On that tragic summer's day, 9/11/01, Stephen had just completed his scheduled tour with the FDNY, and was traveling to meet his brothers to play a traditional round of GOLF. However, when he heard the scanner in his truck, he decided to go back and help, and unfortunately Stephen and the innocence of an entire nation died that day. Stephen was so close to his brothers, they played golf together as often as possible. As a tribute to Stephen and others who made the ultimate sacrifice, we will soon have five golf events - the grand-daddy on 3 courses on Staten Island, in New Jersey, in Florida, in Orchard Park, NY, and in DALLAS, Texas.
